

Voya 350

Portable Handheld GPS Navigation

The AVERATEC™ Voya 350 is a powerful portable handheld navigation system with an embedded SiRF III high performance GPS receiver.

The Voya makes navigation easy and fun, with friendly voice prompting, turn-by-turn guidance and the latest touch screen technology.

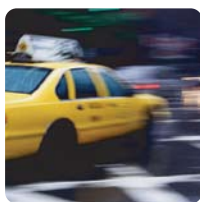

Your Voya comes pre-loaded with a complete street-level map of all 50 United States and Canada, provided by NAVTEQ™. There's no need to download additional data.

Lightweight and truly portable, your Averatec Voya goes wherever you go, from your personal vehicle to your business car. The built-in battery even lets you take it on a bike or for long walks. Never get lost again with this all-in-one device!

Product Highlights

- **Voice & Visual Turn-by-Turn Guidance**
Voice and visual guidance provides you turn-by-turn directions to your destination.
- **Automatic Route Recalculation**
An alternate route will be suggested whenever you take a wrong turn or miss an exit.
- **Sleek Design with Helical Antenna**
Compact slim design with helical antenna provides high performance as well as increased stability.
- **Easy to Use**
Intuitive and friendly user interface is combined with an extra wide touch screen for easy operation and viewing, day or night.
- **Long Lasting Battery Life**
Rechargeable and replaceable Li-ion battery provides up to 4 hours of battery life under normal operation.
- **Trip Planning**
Plan trips and optimize routes with the multi-point routing feature.
- **Millions of Points of Interest**
Millions of businesses, banks, hotels, airports, gas stations, ATMs, restaurants, and more pre-loaded.
