

The StreetPilot c510 (European regional maps), c530 and c550 navigators deliver

## Adventure is calling — answer it

preloaded maps, simple touch-screen operations and plenty of options.

Like hands-free calling via cell phones using Bluetooth®. This feature, available on the c550, allows you to view incoming calls on your StreetPilot and simply tap the screen to answer. Then just speak into the c550's built-in microphone while staying focused on your driving. Other features exclusive to the c550 include MP3 player and text-to-speech voice guidance, which means it announces streets by name. All units in the series feature a bright, video-quality display, high-sensitivity receiver and traffic service options that can help you avoid traffic delays (receiver and 3-month subscription included with c550).

### Moving map features

**Storage:** Preprogrammed with City Navigator® NT, providing street-level detail and addresses, plus listings of restaurants, hotels, ATMs, etc., throughout the U.S., Canada and Puerto Rico. c550 is also available with full coverage of Europe; c510 is preloaded with European regional coverage only

**Map scale:** Screen-width scale 640 feet to 4,000 miles

### Navigation features

**Routes:** Automatically calculated with turn-by-turn instructions; automatic off-route recalc shows how to get back on track if you miss a turn or exit; a detour function enables routing around traffic problems or road construction

**Voice:** Navigation instructions and warnings. c550 provides the addition of TTS (text-to-speech) – unit prompts you to “turn right on Main street”

**Traffic:** Alerts for traffic, road construction and weather-related tie-ups. StreetPilot uses data to suggest alternate routes before problems are encountered

**Waypoints:** 500 with name and graphic symbol

**Trip computer:** Resettable odometer, timers, average and maximum speeds

### Calling options

**(c550)**

**Hands-free calling:** When paired with cell phones with Bluetooth® wireless technology, user can simply touch c550 screen to answer or disconnect a call. Speak into c550's built-in microphone or accessory mic while driving

**Phone book:** Stores contact numbers from paired phones

**Dialing:** One-touch dialing for stored contacts, points of interest (POI dial) or home. Phones that support voice tags allow hands-free (voice recognition) dialing

### Theft prevention

**Garmin Lock:** When enabled, user must input PIN number to use device. Backup feature allows user to associate a security location, which will unlock unit when within 50 meters of that location

### Download options

**Location-based content:** Garmin Travel Guide™, SaversGuide® and custom points of interest (POIs) like safety cameras and school zones

**Others:** Customized vehicle icons for moving map

### GPS performance

**Receiver:** SiRFstarIII™ high-sensitivity GPS receiver

**Interfaces:** USB 2.0 full-speed

**Antenna:** Built-in patch; MCX-type connector for optional external GPS antenna connection

### Physical

**Size:** 4.4"W x 3.2"H x 2.8"D (11.3 x 8.2 x 7.2 cm)

**Weight:** .59 pounds (269 g)

**Display:** 2.8"W x 2.1"H (7.2 x 5.4 cm); 320 x 240 pixels; bright, 16-bit LCD, with white backlight and touch screen

**Case:** Not waterproof

**Temp. range:** 32°F to 140°F (0°C to 60°C)

**Data storage:** Indefinite; no memory battery required

### Power

**Input:** 12/24v DC

**Usage:** 15w max. @ 13.8v DC

**Battery life:** up to 8 hours

### Accessories

**Standard:** GTM™ 20 FM TMC traffic receiver and 3-month free subscription (c550) suction cup mount 12v power adapter dashboard disk USB interface cable carrying case owner's manual

### Optional:

GTM™ 20 FM TMC traffic receiver (c510 or c530) external microphone (c550) colored faceplates dash mount preprogrammed City Navigator cards for other regions Garmin TravelGuide™ and SaversGuide® plug-ins
