

Mio DigiWalker™ H610

Handheld Personal Navigation and Digital Entertainment Device

Mio DigiWalker™ H610

The Mio DigiWalker™ H610 is a stylish, handheld personal navigation and digital entertainment device. Perfect for anyone who would enjoy real time directions or entertainment while driving, bicycling or walking, the H610 combines high fashion, highly accurate GPS functionality, comprehensive point of interest location and a feature-rich digital media player all in a single device.

Size matters.

Smaller than a deck of cards, the H610 features an ultra sleek design that fits easily in your hand, pocket or purse. Built for the ultimate in portability, the H610 can also be worn with the included lanyard or wrist strap.

Simplicity and style make navigation an attractive addition to any journey

Four wheels. Two wheels. No wheels.

There is more to navigation than driving. During the day, you may walk, cycle or take a taxi to get to your final destination. To make sure you arrive on time - and in style - the H610 includes multiple navigation modes for accurate directions, whether you're driving, walking or bicycling.

Get this show on the road.

Music. Photos. Video. The H610 allows you to take your memories with you wherever you go. Great for any road trip, the H610 becomes a mobile entertainment system and lets you enjoy all of your digital video, music and photos at home or on the go.

It's where you're going.
